## General Comment

Your system timed out on me twice, erasing both offerings to the public record. I found I would have to scroll up in order to see the little pop-up. Allowing that I have 1500 Characters remaining, why would you have it set up to boot me out?

This another means to squelch commentary for the public record and truly in keeping with that which I had twice attempted to submit. (TYPING REALLY FAST NOW!) I wonder how many others were again refused to be heard. In a nut shell & minus the politeness which was to be found in previous attempts: Terrible forum, Gum Chewing/Smackin by EPA was big hit, u OF r MOMOPOLIZED THE PODIUM.
